Introducing Poultry and Italian Herb blend to Freeze-Dried Herbs Line

March 19, 2009 – Sandpoint, Idaho ---

Litehouse Foods is responding to consumer request with the addition of Poultry and Italian herb blends to its' line of Freeze-Dried Herbs. These two new herbs are available in an easy to use flip top 200ml glass container and can be found in produce departments nationwide. The suggested retail price for both herbs is \$4.99.

Freeze-Dried Herbs are harvested, then immediately frozen and processed in the area they were grown in, insuring the highest quality. By freeze-drying herbs, it preserves flavor, vitamins, minerals and aromas better than any other dry preservation method. The current line of herbs include: Basil, Garlic, Red Onion, Dill, Chives, Parsley, Oregano, Salad Herb Blend, and Cilantro.

According to Stacey Orlando, Marketing Product Assistant, "Consumers love our Freeze-Dried Herb line because of the high quality and fresh taste. The herbs instantly re-absorb moisture and regain their natural aroma, flavor, and shape."
